Crochet Flowers Step-by-Step-Tanya Shliazhko 2016-02-16 Stop and crochet the flowers! Crochet flowers are a favorite with needlecrafters because they can be made from scraps of yarn, they're small and portable, and they are so versatile. Geared toward beginners, each of the fifty crochet flowers patterns in this book comes with a clear, easy-to-follow photo sequence linked to a chart. Other books supply patterns, but only Crochet Flowers Step-by-Step take you through the process one step at a time, so absolutely no prior experience is required. Use them to add charm to home decor projects such as pillows, towels, or napkin holders, or gather them into a pretty corsage for a lapel or hat trim. You could even gougle flower crazy and create an entire herbarious border! Once the seed is sown, you won't want to stop making these adorable embellishments.

First Crochet-Lesley Stanfield 2005-10-20 Crochet has made a comeback: everyone from Prada to Roberto Cavalli featured it in their latest collections. It can have a delicate lacy beauty or it may be robust and hard-wearing - a modern fabric with practical uses. To be up-to-the-minute in the fashion stakes you need crochet, but what if you don’t know how to crochet a simple chain, never mind interpret the strange language and complicated-looking instructions for anything more complex? And how do you choose from all those tempting and different types of yarn...? Crochet is much simpler than it may appear. With the help of clear instructions, coupled with step-by-step photographs, ‘First Crochet’ explains the individual techniques. It features 20 unique projects, each accompanied by photographs showing the key stages, so you can check your work every step of the way. The projects include both stylish items for the home, such as cushions and a throw, as well as fashionable gifts for your friends or for yourself, such as scarves, bags and baby items. From the first loop to the last seam, this book is ideal for the beginner. Its comprehensive instructions – with fold-out flaps giving key techniques for quick reference – will make mastering this skill easy and fun for the reader.

101 Beautiful Felt Squares to Knit-Leonie Morgan 2014-08-22 Each of the 101 felted square projects are explained with step-by-step photos, creating an enjoyable activity for children or adults.

Twenty to Make-Val Pierce 2011-03-11 Crochet 20 little bears and dress them up in a wonderful range of colourful outfits that will delight both adults and children alike. All the bears in the book are based on the same, simple crocheted bear, approximately 12cm (4 in) tall, instructions for which are provided at the beginning of the book. The bears have a firm texture and are made in a stable, seated position. There are 20 unique bears to choose from, each with its own crocheted outfit, and of course all of the characters can be adapted by simply changing the colours used or by ‘mixing and matching’ the various items of clothing and accessories. Build up a collection of your own handmade bears, or create gorgeous, personalised gifts for your friends and family to suit any occasion.

Flower Loom Blooms-Hafner Linsen 2017-12-22 Welcome to the blossoming trend of flower looming! It’s simple, it’s quick, it’s fun, and you can create a wonderful selection of stunning flowers from just a few scraps of yarn. This book includes detailed instructions for making 30 beautiful flowers, including a chart, written instructions and a large colour photo; plus all the know-how you need to make your own flowers such as yarn and colour selection, and looming and joining techniques. A template to make your own light-weight, sturdy card loom has also been added to get you started on your loom-making journey. You can use single flowers as embellishments for a variety of accessories and garments, or join them together to make a wide variety of items: five inspirational projects have been specially designed by Hafner, from an elegant shawl to a gorgeous necklace, all of which are shown and explained in easy to follow step-by-steps.

Kew Book of Sugar Flowers-Cassie Brown 2018-05-25 In the Kew Book of Sugar Flowers, sugarcraft specialist Cassie Brown teaches you how to craft stunning, authentic-looking flowers and foliage using flower paste (gum paste). Learn how to create beautiful bouquets and stunning sprays, from the early stages of germinating your ideas - taking inspiration from nature and making moulds from real flowers and leaves - to creating floral cake decorations with an exotic or wild flower theme for a special occasion. Through clear and concise step-by-step instructions, Cassie explains every facet of crafting sugar flowers, from gaining an appreciation of the flower itself, to preparing the flower paste and colouring it to wiring the flowers into an attractive and realistic bouquet. There is a veritable garden of delights to choose from, from ornate orchids to delicate daisies. The method for crafting each individual flower is demonstrated in stunning detail beginning with an 'exploded flower' photograph that illustrates each of the individual components and working through the techniques and tricks that Cassie herself applies to create her stunning floral displays. The Kew Book of Sugar Flowers is the perfect book for the established sugarcraft lover looking to develop their skills and take their cake-decorating capabilities to the next level. Readers with a particular interest in flowers and plants will also love this book for its painstaking recreation of flora in flower paste (gum paste), and the book is endorsed by the Royal Botanic Gardens, Kew giving extra credibility to the stunning realism of the flowers that Cassie Brown has recreated. Foreword by Eddie Spence M.B.E. Eddie Spence MBE has enjoyed an illustrious career in confectionery and cake design and his superior skills have earned him the opportunity to decorate many cakes for the royal family, including Her Majesty the Queen herself.
